### **Scholarship Application**

#### **Selection Procedure**

The Nebraska Rod and Custom Association (NRCA) scholarship is \$1,000. Each year the NRCA board authorizes the number to be awarded on or before April 15, 2017. In 2017, 7 scholarships were awarded and we expect a similar number in 2017. Qualifying applicants need to be either (1) a second year student or (2) a 2016 high school graduating senior who will enroll in any of the State of Nebraska's Technical and Community Colleges in an automotive curriculum. The NRCA scholarship committee reserves the right to determine if the course of study selected by the student is acceptable.

#### **Minimum Requirements**

1. Must be enrolled in fall semester in any of the Technical and Community Colleges in Nebraska
2. Must have a minimum 2.5 grade point average or a "C+" - high school or 1st year tech school
3. Must demonstrate responsibility and willingness to work toward vocational achievement
4. Must be enrolled in a minimum of 12 credit hours

Additional items: you may include reference letters and school transcripts

#### **Criteria for Selection**

1. Meet minimum requirements
2. Grade point average compared to other applicants
3. Neatness and completeness of application
4. Ability to clearly demonstrate personal and vocational goals
5. Involvement in community and school activities
6. Work history
7. Accomplishments and awards
8. Quality of 250 word personal statement

**Applications must be returned by mail to NRCA at address above by March 13th** A scholarship committee will review applications and interviews will be held early April. Scholarship will be awarded 50% upon enrollment as a full time student for the 2017 Fall semester and 50% upon achieving a minimum "C+" average and enrollment as a full time student for the Spring 2018 semester.
